## *Parish Cemeteries*

In Good Shepherd Catholic Community we have five cemeteries, one connected with each of our churches as well as the old and new St. Bernard Cemetery in Scipio Center. We are in the process of establishing a Cemetery Advisory Committee. Below are the policies for the committee as established by the Diocese. I know that many of you have family members buried in the cemeteries and others have purchased plots for yourself and family member. I ask you to please read over the information below concerning the Cemetery Advisory Committee. If you have a strong interest in serving on the committee or if you know someone who you feel would be qualified to serve on this committee please let me know by calling me at the parish office or emailing me at fmoorby@dor.org. It is our hope to get this committee up and running soon. As a community may we always honor and remember those who have gone before us by keeping their burial places well-kept holy grounds. God bless you, *Father Bill*

### **Cemetery Advisory Committee Charter**

#### **PURPOSE & NATURE**

Each parish that has Cemeteries shall have a Cemetery Advisory Committee (the "Committee") established by the parish as a committee of the Parish Finance Council or Building and Grounds Committee. The Committee must be established using the attached corporate resolution – Establishing Cemetery Advisory Committee. The role of the Committee is to assist the Pastor/Administrator in managing the Cemetery. The Committee will provide oversight for the continuous wellbeing of the Cemetery(ies) including the assessment of conditions, maintenance strategies, safety issues and financial matters.

Duties may include:

- Advise the Pastor regarding the results of regular audits/inspections of cemeteries and make recommendations based on priorities established by these audits/inspections.
- Anticipate needs for upcoming season (seasonal maintenance, investment, etc.)
- Provide assistance, advice and recommendations for budgets, planning and development.
- Assist staff with approximate cost of projects and completing documents in Buildings & Properties Policy, etc.
- Work with Finance Council to match projected level of Permanent Maintenance Fund required.
- Provide assistance, advice and recommendations on projects including land development, Cremation Gardens, Mausoleums, etc.
- Develop teams of parishioners who will donate time and talents for Cemetery maintenance tasks, taking note of the extent to which such work is allowed to be performed by volunteers under the guidelines of the Diocesan risk management and insurance programs.
- Ensure that the safety and security of the Cemetery is addressed and policies and procedures are reviewed regularly.

**MEMBERSHIP** The Committee's membership should include active parishioners with interest in Cemetery operations taking into consideration skills that would be beneficial to the oversight, operation and maintenance of the Cemetery, including legal, public relations, finance, banking and investments, business, engineering and land management, and landscape and ground maintenance. If necessary, significant focus should be on the health/improvement of the Permanent Maintenance Fund level.

**SIZE** The Committee will consist of not less than four (4) members plus a member of the Finance Council (if possible). The Committee is required to provide financial information to the Finance Council on a regular basis. The size of the Committee is not as important as the knowledge, skills and personal interest of the membership. One Committee shall oversee the cemeteries of the merged or clustered parish. Membership representation from all cemeteries is to be included in membership.

**SELECTION** The Pastor selects Committee members through an open search process that will include input from staff as well as the Pastoral and Finance Councils.

**TERM OF OFFICE** Committee members shall serve until the next Annual Parish Corporate Meeting, as described in the Annual Reporting to the Diocese Policy, after which they are appointed. There is no limit to the number of terms a Committee member may serve. Members serve at the Pastor's discretion. Annual appointments must be made in accordance with the attached resolution - Annual Parish Appointments of Cemetery Members for Existing Committee Members.

#### **ORGANIZATION**

The Committee should meet at least four (4) times each year. Additional meetings may take place as needed. Minutes of each meeting must be kept and retained in the Parish office. The Chair of the Committee will report on Committee meetings on a regular basis at Pastoral Council and/or Parish Finance Council meetings. The Committee shall fix its own rules of procedures, which shall be consistent with the by-laws of the parish.
