Notre Dame Retreat House to Suspend all Programming and Retreats from March 17 through April 1, 2020

Following the guidelines of the United States Center for Disease Control, the State of New York Health Department, local public health officials and The Diocese of Rochester, Notre Dame Retreat House is cancelling all programming at the Retreat House from Tuesday, March 17 through Wednesday, April 1, 2020. We make this decision out of an abundance of concern for the health and well-being of all our retreatants and from our desire to cooperate with recommendations and practices that limit the potential spread of the coronavirus.

Programs in the month of April are subject to prevailing health conditions and directives given by above stated health agencies and Diocese of Rochester.

We will be in touch with all retreatants and program participants impacted by this decision and make it our priority to reschedule another time for your visit to Notre Dame Retreat House. Please feel free to email us at ndretreat@rochester.rr.com or call us at 585-394-5700 with any questions or concerns regarding this message.

Our Retreat Theme of "Finding God in Life's Transitions" is hitting home shall we say. We have been commenting on how God is with us in our graces and in our challenges. May we be comforted to know that we will get through this great challenge!

Please be assured that we are praying for all those deeply impacted by this pandemic and for a swift containment of this outbreak. In God's time, we look forward to resuming our programming and welcoming you, our treasured retreatants, back to Notre Dame Retreat House. May you be blessed with peace and good health until we can be back together again.

May Our Mother of Perpetual Help Pray for us!

Rev. Joseph F. Jones, C.Ss.R.
